

Inside

Inside

Inside

What day is it?

Is it Tuesday?

An empty bus is driving by

Inside

Inside

6 feet away

Can you see me?

I won't cover up my eyes

(CHORUS)

This look into the mirror

This snow day without snow

Will it make it clearer?

What the robins know?

Inside

Inside

The quiet counters pride

I walk in place and picture sky

(CHORUS)

This look into the mirror

This snow day without snow

Will it make it clearer?

What the robins know?

(BRIDGE)

But, we cheered for the mighty

From behind our screens

We broke through the abyss

And we spoke for the first time

In a long time

It took all of this

(CHORUS)

Inside

Inside

What day is it?

Is it Tuesday?

An empty bus is driving by
