

## **I BELIEVE IN RAINBOWS**

I believe in rainbows.  
Let it rain.  
I believe in star shine.  
Let them shine.  
I believe in second chances,  
Waterfalls, and slow romances.  
I believe in rainbows  
Let it rain

If the sun comes once more  
Then my heart says it can pour

Let it rain  
Let it rain  
Let it wash away the pain  
I believe in rainbows  
Let it rain

I believe in children.  
Let them play.  
I believe that peace will happen  
Someday.  
I believe you make your own luck  
When you're stuck, you can't just stay stuck  
I believe in rainbows  
Let it rain

When the storm blows on through  
Then the whole world feels brand new

Let it rain  
Let it rain  
Let it wash away the pain  
I believe in rainbows  
Let it rain  
I believe in rainbows  
Let it rain

I believe in letting go of  
All the dark clouds that I know of  
I believe that hope is all that matters in the end

Let it rain  
Let it rain

Just send sorrow down the drain  
I believe in rainbows  
Let it rain

Let it rain  
Let it rain  
Let it wash away the pain  
I believe in rainbows  
Let it rain  
I believe in rainbows  
Let it rain
